

Calli® is an all-natural herbal tea and a healthful alternative to beverages with added caffeine, sugar, and chemicals. It contains antioxidants to protect the body from free radicals, and the unique herbal extracts in the formula assist the body's natural cleansing process.

Features & Benefits

- Highly concentrated: One Calli® bag makes multiple cups of delicious tea.
- Helps speed the body's natural process of cleansing and elimination.
- Rich in antioxidants and pleasantly aromatic.
- Uniquely formulated and based on the Philosophy of Regeneration™.

Proprietary Formula

Contains catechins, which are naturally occurring antioxidants found in *Camellia sinensis*, a primary ingredient of Calli®. Antioxidants have been shown to be effective in absorbing cell-damaging free radicals.

Owner Expertise & State-of-the-Art Manufacturing

All Sunrider® products are researched, developed, formulated, and manufactured with owner expertise and state-of-the-art manufacturing. This ensures that our products are superior in quality, concentration, effectiveness, and safety.

- Sunrider owner Dr. Tei-Fu Chen has a degree in pharmacy and is a world-renowned herbalist. His wife, Dr. Oi-Lin Chen, is a gifted medical doctor. They lead a team of scientists and oversee the vast, complex production of Sunrider® products.
- Sunrider invests hundreds of millions of dollars in its high-tech research and manufacturing facilities, spanning 2 million square feet. Our trade-secret manufacturing process extracts and concentrates the beneficial essences from many pounds of raw herbs to create a nutrient-rich final product. Sunrider manufacturing facilities are safe, ethical, and environmentally friendly.
- Calli® is proudly made in our Los Angeles Manufacturing Plants.
